Tammy Sakanashi	Vocational Nursing		Achievement	67	After a complete review by nursing faculty it was found that we are not able to reduce the length of the program to a 12-month certificate as hoped. The required 2 year program is not attracting adequate enrollment and there is difficulty finding clinical placements at facilities due to competition with for-profit agencies. For this reason the nursing faculty would like to inactivate this certificate. There are currently no students enrolled in the program and all students that were enrolled have completed their certificate requirements.	F2022
